

MEMORANDUM OF UNDERSTANDING & LETTER OF SUPPORT
FOR THE *BOOST OHIO KIDS COALITION*

The *Boost Ohio Kids Coalition* is a partnership of AAA clubs, public health agencies, private businesses, and public safety advocacy groups dedicated to protecting and preserving the lives of young passengers on Ohio's roadways through:

- Public awareness campaigns
- Motorist education programs
- Legislative support initiatives

This letter of support indicates your intent to participate in this effort and identify areas which your agency may have particular interest in assisting toward the success of our ongoing initiatives. By signing this document, you agree to allow your name to be listed as an active coalition member. This commitment is voluntary, and the level of participation at the sole discretion of the signing agency.

The *Boost Ohio Kids Coalition* will provide recognition of all participating agencies in press releases, media events, and in public service messages whenever possible, and on BoostOhioKids.org. Participating agency logos will also be used when appropriate and available.

By submitting this Memorandum of Understanding, we commit to helping the *Boost Ohio Kids Coalition* achieve its goals and objectives. We understand that our commitments are voluntary, and will be achieved as we have designated in participation selections below:
